

SALT Update (Jan 2018) Swansea Academy of Learning and Teaching

Happy New Year

Welcome to a special update edition of our newly refreshed SALT newsletter and a message from the SALT Director, Professor Jane Thomas.

Happy New Year from all at SALT

The New Year has brought some changes to the SALT team with **Jacqui Neale** (TEL) regrettably leaving us and **Suzie Pugh** being welcomed to SALT as part of the PG Cert team. I know that you will be delighted to join me in welcoming Suzy as she settles in to her new role.

In addition, we have divided the managerial role on account of load so that **Chris Hall** now manages the pedagogic aspects (PG Cert and Recognition teams) and **Simon Gibbon** will manage the developmental agenda of the SALT work (TEL and CPD).

The SALT team look forward to the coming year's opportunities and challenges with optimism and confidence and wish you all a Happy New Year for 2018. Please note that the next edition of the SALT Newsletter will be published at the end of January.
